This HETAC (now QQI) accredited Special Purpose Award in Project Management uses a combination of external experts and in-house lecturers to provide a broad scope of industrial and academic expertise. Our panel of lecturers and experts includes those with PMI® (Project Management Institute), 'Registered Education Provider' (REP®) Approval.

The Diploma is 15 days in duration (120 contact training hours), one weekend each month (Friday and Saturday) and takes approximately 8 months to complete. Classes are held on CIT campus.

Our Diploma is aligned with the latest revision of the industry standard, the Fifth Edition of the PMI® Project Management Body of Knowledge (PMBOK®). This new revision was first published in 2013 and will apply until mid-2017.

The Diploma also incorporates a PMI® Exam Preparation Bootcamp which prepares students for the PMI® certification exams

The next 2 programmes will commence on:
1. Friday, 1st April 2016
2. Friday, 21st October 2016

Applications are made online at: www.cit.ie/course/CREPMAN8

It is also possible to apply for the 'Module 3 - Expert' on a stand-alone basis (see details on reverse of page). Module 3 covers a series of advanced aspects of Project Management and delivers 36 PDU's to enable candidates to maintain their PMI® certification.

Diploma in PROJECT MANAGEMENT

The Diploma combines advanced Project Management techniques and methodologies with the real-life experiences of an expert panel of leading project management lecturers from a wide range of industrial sectors.

The course consists of a combination of lectures, seminars, case studies, guest speakers, simulations and practical projects. A HETAC (now QQI) Special Purpose Award in Project Management at an Advanced Level will be issued to all successful candidates.

The course also covers the PMBOK® – the Project Management Body of Knowledge, which is the basis for PMP® (Project Management Professional) and CAPM® (Certified Associate in Project Management) Certification administered by the Project Management Institute (PMI). CIT's Diploma includes a detailed 2-day preparatory 'boot-camp' course for those candidates who intend to sit for the PMP® or CAPM® Certification.

TESTIMONIALS

Colin Ó Scanail, Apple: "Very relevant to my day job, gave me a holistic perspective on my projects which was very motivating. Experience and calibre of lecturers second to none. Without this course I do not think I could have achieved my PMP - so many thanks."

Norma Beechinor, Stryker Instruments: "The Diploma in Project Management was definitely the most practical and beneficial course that I have attended to date. I learned about all the project management tools and their benefits such as Work Breakdown Structures and Risk assessments and I also learned a lot on managing Project Human Resources. The practical PM tools we learned continue to help me during my daily roles and responsibilities within Stryker Corporation."

Kevin Cunningham, Pfizer: "I found the Diploma course to be a very rewarding experience. This course was fun, engaging, and very participative - the range of experience and knowledge available is impressive. What you learn and experience will refocus your personal career goals as well as give you a renewed sense of confidence in your abilities, which was the highlight for me."

Aoife Dillon, Coillte: "I have thoroughly enjoyed every minute of the PM Diploma. The small class size and presenters' vast knowledge both contributed to the fact that the decision to do this Diploma has been the most rewarding decision I have made in years, in terms of my professional development."
