

CIT 2016 Guideline DARE Reduced places available

This document gives an indication of the 2016 reduced points places in CIT that may be available to DARE eligible applicants. **CIT has a guideline quota of 5% of places on reduced points in all undergraduate programmes.** (Please note that the numbers of DARE places on individual courses are guideline numbers. They are based on this quota and on 2015 target numbers for each course).

To be considered for a DARE reduced points place:

- Applicants must meet the minimum requirements of a course. Please check the CIT website: www.cit.ie/courses for the minimum requirements for all courses.
- Applicants are then considered for places when they are within a 50 point band below the cut off point at the time when the DARE offers are made through the CAO.
- Applicants with sensory disabilities (such as visual or hearing impairments) and physical disabilities will be prioritised when allocating DARE reduced points places.

More information about the DARE scheme and how DARE offers are made at CIT is available here: www.cit.ie/dare or email dare@cit.ie
