PROJECT MANAGEMENT SKILLS
with our
SPECIALISED DIPLOMA
awarded by CIT

**ACHIEVE INDUSTRY ACCREDITATION
BY BECOMING A CERTIFIED PROJECT
MANAGER WITH THE PROJECT
MANAGEMENT INSTITUTE (PMI®)**

Complete our Advanced Project Management Module and earn Professional Development Units (PDUs) to maintain your PMI® certification.

This HETAC approved Special Purpose Award in Project Management uses a combination of external experts and in house-lecturers to provide a broad scope of industrial and academic expertise, including those with PMI® 'Registered Education Provider' (REP®) Approval. The course is HETAC accredited (15 credits), 14 day course delivered over six months.

Diploma is scheduled to start Friday, March 23rd 2012, (Approx. 1 Friday and 1 Saturday per month).

The first two modules of the Diploma are based on the industry standard 'Project Management Body of Knowledge' (PMBOK®) while the third module covers a series of advanced aspects of Project Management.
