The annual showcase of one of Ireland's premier art colleges, CIT Crawford College of Art and Design, opens this coming Friday, June 6th. The BA Hons Fine Art and the BA Hons Contemporary Applied Arts Degree Show promotes Ireland's future artists who have honed their skills in many different areas over the last four years. This year's show, "**Na hOibreacha**", will be held, as always, at the CCAD Campus on Sharman Crawford Street in Cork, and continues until June 15th.

As well as being an innovative platform for students to exhibit their work, the show also offers an opportunity to purchase original, affordable artwork, helping to demystify the process of purchasing Contemporary Fine Art. Prominent former CCAD graduates have gone on to become internationally celebrated artists, such as Alice Maher, Maud Cotter, Dorothy Cross, Cian McConn, Donal Moloney, and Morgan Doyle.

This is the 22nd year of the CIT Crawford Degree Show, which is a cultural, and social, highlight of the year in Cork City. The work on show is the culmination of four years of intensive and highly rewarding study. It promises to be a dynamic event, with numerous prizes and bursaries being awarded. 62 students will show work in a variety of media including Ceramics, Glass, Drawing, Painting, Print, Film, Photography, Sculpture and Textiles.

"Na hOibreacha", CIT Crawford College of Art & Design, BA Hons Fine Art and BA Hons Contemporary Applied Art Degree Show is open to the public from 7th to 15th June, 10am to 6pm, Monday to Saturday, 11am to 5pm, Sunday, Sharman Crawford Street, Cork - [www.crawfordexhibitions.com/nahoibreacha](http://www.crawfordexhibitions.com/nahoibreacha) All are welcome.
