

# DIPLOMA IN PROJECT MANAGEMENT

**This QQI accredited Special Purpose Award in Project Management uses a combination of external experts and in-house lecturers to provide a broad scope of industrial and academic expertise.**

The Diploma is currently being delivered fully online due to Covid-19 restrictions. The Diploma is approximately five months in duration and contains 120 contact training hours. The timetable consists of just one session per week; a mixture of eight Fridays (9am to 4.30pm) and fourteen evening sessions (6.30pm to 9.30pm). See <https://www.cit.ie/course/CREPMAN8> for course timetables.

Our Diploma is aligned with the latest revision of the industry Standard, 'Project Management Body of Knowledge (PMBOK®)', from the Project Management Institute (PMI®).

As Agile Project Management becomes more commonplace across industries, our Diploma includes detailed insight into the use of Agile methods to deliver projects, providing details on Scrum, XP (Extreme Programming), Kanban and Agile hybrids.

The Diploma also incorporates an Exam Preparation Bootcamp which prepares students for the PMI® certification exams.

The next 2 programmes will commence on:

1. Friday, February 12th 2021
2. Friday, October 15th 2021

Applications are made online at: [www.cit.ie/course/CREPMAN8](https://www.cit.ie/course/CREPMAN8)

# DIPLOMA IN PROJECT MANAGEMENT

The Diploma combines advanced Project Management techniques and methodologies with the real-life experiences of an expert panel of leading project management lecturers from a wide range of industrial sectors.

The course consists of a combination of lectures, seminars, case studies, guest speakers, simulations and practical projects. A QQI Special Purpose Award in Project Management (Honours Degree standard @ Level 8) will be awarded to all successful candidates.

The course also covers the PMBOK® – the Project Management Body of Knowledge, which is the basis for CAPM® (Certified Associate in Project Management) Certification and the key reference work for the PMP® (Project Management Professional) Certification administered by the Project Management Institute (PMI®).

## TESTIMONIALS

### Colin Ó Scanaill, Apple

"Very relevant to my day job, gave me a holistic perspective on my projects which was very motivating. Experience and calibre of lecturers second to none. Without this course I do not think I could have achieved my PMP – so many thanks."

### Norma Beechinor, Stryker Instruments

"The Diploma in Project Management was definitely the most practical and beneficial course that I have attended to date. I learned about all the project management tools and their benefits such as Work Breakdown Structures and Risk assessments and I also learned a lot on managing Project Human Resources. The practical PM tools we learned continue to help me during my daily roles and responsibilities within Stryker Corporation."

### Kevin Cunningham, Pfizer

"I found the Diploma course to be a very rewarding experience. This course was fun, engaging, and very participative – the range of experience and knowledge available is impressive. What you learn and experience will refocus your personal career goals as well as give you a renewed sense of confidence in your abilities, which was the highlight for me."

### Aoife Dillon, Coillte

"I have thoroughly enjoyed every minute of the PM Diploma. The small class size and presenters' vast knowledge both contributed to the fact that the decision to do this Diploma has been the most rewarding decision I have made in years, in terms of my professional development."
