

SPECIAL PURPOSE AWARD: DIPLOMA IN PROJECT MANAGEMENT

Background

A new special purpose award has been proposed as follows:

NFQ Level: 8

Credits: 15

Semesters: 2

Code: CR_EPMAN_8

Mode of Delivery: Full Time, Part Time, ACCS

Department: Manufacturing, Biomedical & Facilities Engineering.

The normal CIT processes have been carried out, including the convening of a Special Purpose Award Approval Panel at Faculty Level. External assessors have been involved as required, and their findings have been incorporated into the programme and module design. Signed reports have been submitted to the Deputy Registrar & Head of Academic Quality. The modules and programme are on the Coursebuilder database in good order.

Proposal

Council is requested to approve the programme.
