 REVITALISING YOUR CAREER

EMPLOYMENT ACTIVATION PROGRAMME

Would your company benefit from availing of additional expertise at no extra cost?

Are you interested in:

- Providing a 12 week work placement for an unemployed professional?
- Completing a project that would add value to your business?
- Tapping into skills and competencies not presently in your organisation?
- Alleviating pressures or bottlenecks in your business?
- Enhancing the profile of your workforce?

This programme, provided by the Labour Market Activation Fund and operated by the Department of Education and Skills may be of significant benefit to you and your business.

What's Involved?

- Complete the Expression of Interest form, outlining your company's details & areas of focus
Please post this form to: Begin Again, ICBE, Roselawn Suite 2, National Technology Park, Limerick or go to www.beginagain.ie to apply online
- Successful participants on this programme will be matched to host companies
- Host companies can ensure that the participant identified for them is a good fit
- A discrete project will be identified by the company at the outset
- A mentor will work with the participant and the host company to ensure the objective is achieved
- Participants will work in the host company for 12 continuous weeks
- The company may wish to offer the participant employment or contract work at the end of the assignment

What's In It For You?

- Access to a highly qualified participant at no cost for 12 weeks
- Completion of a mutually agreed project
- Alleviation of work pressure
- Opportunity to evaluate the participant for future work
- Potential to hire an experienced individual that will understand your business
- Best practice implemented in an area of your business
