MT654	Hospitality Studies							
	Culinary Studies - 3 year, day release		Professional Cookery L5 (5M2088) and Hospitality Operations L5 (5M2083) - with interview					
Level 7 Listing		**Places**	**Links from CCOC**	**Links from CSN**	**Links from St. Johns College**	**Links from Kinsale College**	**Links from Mallow College**	
MT 575	BA in Community Development							
MT770	Applied Physics and Instrumentation							
MT775	Applied Biosciences							
MT774	Analytical & Pharmaceutical Chemistry							
MT750	Agriculture							
Previously CR011	Horticulture			Horticulture 6M4334, Greenkeeping, 6M4330		Permaculture, 6M4334		
MT700	Computing	3	Software Engineering L6 (6M0691) A full award with at least 5 merits including a merit in Programming and Relational Database and good maths result		Cloud Computing L6 (6M0691), Networks & Web Design L6 (6M0695)		Adv Cert in Netw and Software Dev, 6M0691, A full award with at least 5 merits including a merit in Programming and Relational Database and good maths result	
MT550	Business Studies		Advanced Certificate in Business L6 (6M4985)	Business Studies (6M4985)		Business Studies (6M4985)		Business, 6M4985
MT551	Business Administration		Advanced Certificate in Office Adminstration L6 (6M5013), Advanced Certificate in Sales & Retail Management L6 (6M4385)	Business Studies L6 (6M4985) (dependent on available places)		FETAC level 6 Advanced Certificate in Business Management having come through the FETAC level 5 Office Administration and Computer Skills taking the optional Mathematics module	Adv Cert in Business (6M4985)	
MT510	Recreation and Leisure			Coaching & PE (6M5147), PT & Leisure Management (6M4749) L6 - dependent on places and interview				
MT552	Tourism	5	Advanced Certificate in Travel and Tourism L6 (6M5012)		Tourism & eTravel L6 (6M5012)			
MT554	Hospitality Management							
MT747	Transport Management & Technology							
MT731	Civil Engineering							
MT758	Construction							
MT760	Interior Architecture	3			Interior Architecture L6 (6M5127) with interview and portfolio			
MT746	Electronic Engineering							
MT745	Electrical Engineering							
MT736	Mechanical/Manufacturing							
MT739	Biomedical Engineering							

		Places	Links to CCOC	Links to CSN	Links to St. Johns	Links to Kinsale College	Links from Mallow College	
MT759	Architectural Technology	3			Sustainable Technology L6 (6M4989) with interview and portfolio			
MT766	Nautical Science							
MT764	Marine & Plant Engineering							
MT770	Science (Common Entry)							
MT572	Early Years Education		Advanced Certificate in Early Childhood Care and Education L6 6M2007 with interview	Childcare L6 (depends on interview)		Early Childhood, 6M2007	Early Childhood 6M2007 with interview	
MT555	Culinary Arts							
MT 553	Bar Management							
MT765	Marine Electrotechnology							
MT705	Information Technology Support	3	Software Engineering L6 (6M0691) with at least 5 merits including a merit in programming and (relational database, operating systems or Networking)		Cloud Computing L6 (6M0691), Networks & Web Design L6 (6M0695)		Adv Cert in Netw and Software Dev, 6M0691, with at least 5 merits including a merit in programming and (relational database, operating systems or Networking)	
Level 8		**Places**	**Links to CCOC**	**Links to CSN**	**Links to St. Johns**	**Links to Kinsale College**	**Links from Mallow College**	
MT800	Software Development	2	Software Engineering L6 (6M0691) to include 2 distinctions, 3 merits including, a merit in Programming and Relational Database and good maths result. Students will require at least 2 distinctions and 3 merits to enter a level 8 course		Cloud Computing L6 (6M0691), Networks & Web Design L6 (6M0695) to include 2 distinctions, 3 merits including, merit in Programming, good relational database result and good maths result		Adv Cert in Netw and Software Dev, 6M0691 to include 2 Distinctions, 3 merits incl merit in programming, good ralational database result and good maths result	
MT824	Creative Digital Media	4		Interactive Media BTEC HND VLW24 Interactive Media Y2 HND MU098 - minimum three Distinctions and interview and portfolio	Multimedia L6 (EMXXX) - Minimum of three Distinctions and interview and portfolio	Multimedia L6 - interview and portfolio; Film & TV Production 6M5159 (Minimum of three Distinctions and portfolio and interview)	Media Production, 6M5130 (Minimum of three Distinctions and interview and portfolio)	
MT802	Software Dev and Computer Networking		Software Engineering L6 (6M0691) to include 2 distinctions, 3 merits including, a merit in Programming and Relational Database and good maths result. Students will require at least 2 distinctions and 3 merits to enter a level 8 course		Cloud Computing L6 (6M0691), Networks & Web Design L6 (6M0695) to include 2 distinctions, 3 merits including, merit in Programming, good relational database result and good maths result			
MT936	Music			Music BTEC (MP278) HND with Audition and Interview				
MT944	Business Information Systems							
MT820	Contemporary Applied Art (Ceramics, Glass, Textiles)	4		Art 2 (6M4029) (Minimum of three Distinctions and Interview and Portfolio)		Art, 6M4029, Minimum of three Distinctions and interview and portfolio	Art, 6M4029 (Minimum of three Distinctions and Interview and portfolio)	
MT821	Fine Art	4		Art 2 (6M4029) (Minimum of three Distinctions and Interview and Portfolio)	Art Painting and Sculpture L6 (6M4029) (Minimum of three Distinctions and portfolio & interview)	Art, 6M4029, Minimum of three Distinctions and interview and portfolio	Art, 6M4029 (Minimum of three Distinctions and Interview and Portfolio)	
MT870	Science Common Entry							

Code	Course		Level 6 Entry requirements		Level 6 Entry requirements			
MT805	IT Management	3	Software Engineering L6 (6M0691) to include 2 distinctions, 3 merits including, a merit in Programming and Relational Database and good maths result. Students will require at least 2 distinctions and 3 merits to enter a level 8 course		Cloud Computing L6 (6M0691), Networks & Web Design L6 (6M0695) to include 2 distinctions, 3 merits including, merit in Programming, good relational database result and good			
MT873	Pharmaceutical Biotechnology							
MT876	Nutrition and Health Science							
MT874	Analytical Chemistry with QA							
MT878	Environmental Science & Sustainable Tech							
MT942	Accounting							
MT943	Marketing		L6 Adv Cert in Business (Marketing and Event Mgt. Applicants need to have completed 5M2069 (marketing). Applicants need CIT Maths. Special electives will mandatory on entry.					
MT830	Engineering Common Entry							
MT837	Sustainable Energy							
MT859	Architectural Technology							
MT860	Interior Architecture							
MT823	Visual Communications	4		BTEC Higher National Diploma in Creative Media Production	Illustrations L6 (6M5150) (Minimum of three Distinctions and interview and portfolio)
