

Research Ethics Training Certification Options

1. Epigeum Certification

The *Research involving human participants* module is an additional module to the core research integrity modules on Epigeum. Go to <https://courses.epigeum.com/>. Register on the Home Page using your @mtu.ie email address and input the following token **8260bc36** to gain access. The second module in the additional specialist modules section is *Research involving Human Participants*.

The screenshot displays the Epigeum course interface. At the top, a red-bordered box highlights the 'Research Integrity: Specialist' module. Below this, the 'Available modules' section lists 'Conflicts of interest' with a progress bar at 0% and a 'Launch' button. The bottom of the screenshot shows the start of the 'Research involving human participants' module, also with a 'Launch' button.
